Good afternoon Deb,

We would like to request a 20-minute time slot for USDA Rural Development. Sallie Clark, the State Director for USDA Rural Development and I will both attend and jointly present to the audience. We'd also like to provide this document as a general information material on the back table:

- https://www.rd.usda.gov/files/RD_ProgramMatrix.pdf

Let us know if we should bring printed copies of this handout or if you were planning on printing documents for the participating agencies.

To help us better prepare we are interested in knowing how many tribal leaders were invited, how many you're expecting to attend and what the total audience size is projected to be?

Thanks for coordinating this opportunity, let us know what else you need from us and please keep us posted.

Tedd
