123

On 11-29-84 I rec'd. a call from Jim Dow, Litton Springfield, Mo., re: 124 Action. Mr. Dow said he knew we initiated a 124 action but he never rec'd. a letter saying action was final. Do we send out such a letter? I said yes. They want to remain as a generator. Also, what does he have to do for MDNR?

I was unable to find file. File available on 12-3. I found a 3-8-84 letter to Litton on final termination of interim status.

I called Mr. Dow on 12-3 & told him we had a 3-8-84 letter & I would send him a copy. He ask about status w/ MDNR. I suggested he contact Paul Meibourger, MDNR.
