To all

Thank you for your continued engagement and interest in our proposed workshop to discuss methods and approaches for accelerating the conduct of chemical risk assessments. We would like to hold a conference call to discuss the current draft agenda, specifically related to discussion topics and desired meeting outcomes. **In order to best accommodate all participants, we will hold two separate conference calls to discuss these topics. Please look for meeting invitations from me for these teleconferences, with the understanding that you need only attend one meeting.**

Updated attachments to be sent closer to the meeting date.
