Subject: Accelerating the Pace of Risk Assessment Workshop: Draft Agenda and Reminders

To all

Thank you for your continued engagement and interest in our upcoming workshop to discuss methods and approaches for accelerating the conduct of chemical risk assessments. Attached are the draft agenda and current list of attendees. Please send any corrections to presenters, titles or attendees to Maureen Gwinn (gwinn.maureen@epa.gov) by **September 9**. Updated attachments to be sent closer to the meeting date and will be made available electronically at the meeting. Wi-fi will be available in the room for internet access throughout the meeting. We will have print copies of the final agenda, list of attendees, abstracts and pre-meeting regulation forms available at the meeting, but other pre-meeting materials will not be printed.

Please note that on the agenda we will have coffee and refreshments in the morning and afternoon as well as working lunches delivered on both days. In order to accommodate this, due to US regulations we will need to collect funds for the cost of these refreshments from all attendees. Details on amounts and process for collection will be sent prior to the meeting. We will also be arranging a group dinner near the meeting venue for Tuesday evening. Details will be shared prior to the meeting.

Below are a few final reminders for information needed from attendees and presenters prior to the meeting. Thanks to all who have already sent their information.

On behalf of the organizing committee, thank you and we look forward to seeing everyone in September.

Bob
