Alison,
I have NVAG and NERT approval of the attached Draft NERT Order, I wanted to send it to you before I sent it out for any EPA comments or questions.
Jasmine spoke to NERT's attorney Lewis Thorson who confirmed that the NERT is requesting the friendly Order to make this more defensible to any DOD questions. That was my recollection. I am working on several things right now but will have a cover letter to go with this Order later today.
Please let me know if you have any questions or how much time you will need. I want to get this out ASAP.
Thanks,
JD
