SUBJECT

What is status of Seed Oil & watersupply forces near Rutherford Co., Tn.

SUMMARY OF COMMUNICATION

John said he has received the "request for assistance letters" from the Co. now he wants a letter from EPA declaring the situation an "imminent public health hazard."

[redacted] talking w/ Randee Rogers, she told me that all the requests and requirements have been fulfilled. Her office has compiled a pkg consisting of: 1. Telegram from EPA declaring the situation a hazard 2. Letters from the County requesting assistance 3. Correspondence betw utilities Co. & County. 4. FHA requirements 5. proof that no funds are available elsewhere. She said as far as she knew, digging had already begun for laying lines.

CONCLUSIONS, ACTION TAKEN OR REQUIRED

they have received our telegram of 11/7/79

I do not understand - do we need to do anything?

Jim
