Subject: 2/28 House Oversight Envm Subcommittee Hearing - PFAS

FYI—

We just received an invitation to testify at House Oversight Environment Subcommittee hearing on 2/28 at 10am regarding PFAS. Committee staff indicated the want to have a "general conversation" on PFAS issues, including EPA's Action Plan. In addition to EPA, they are inviting a witness from DOD and members of the House bipartisan task force (Reps. Dan Kildee (D-Mich.) and Brian Fitzpatrick (R-Pa.). They are requesting EPA to provide whoever we believe if most appropriate to speak about the issue.

I'll be sending around a meeting invite to discuss this as well.

If there are others not listed on this email that need to be included please let us know or forward it along. Let Joe or I know if you have any other questions or concerns.
