Dear NPDES Wastewater colleagues:

The Skype and call-in information for the meeting is included below. Note that I thought that I sent this last Thursday, but it might not have gone through as I have received inquiries from several people on the list who say they did not receive this email.

I am sending the agenda in a separate email that I will send at the same time as this appointment email. For some reason, Outlook is not letting me attach the agenda to this appointment email.

If you are presenting, please review your item for accuracy and correctness and send me any corrections and the documents you will be presenting if they are different from what is on the Agenda. Also, make sure that you are available at the time that your item is scheduled. I will finalize the agenda by COB on today, January 7. If I missed any items that were emailed to me, please let me know ASAP.

The meeting will be held at the North Coast Regional Board office.
Location: 5550 Skylane Boulevard, Santa Rosa, CA 95403 or Skype (information included below)
Room: DCJ Board Hearing Room

Several State Board and EPA staff plan to come to Region 1 to attend in person. I am interested in knowing if anyone else plans to attend in person.

Please contact me if you have any questions.

Thank you,

Cathy Goodwin
