Subject: Regulators at CASQA?

Greetings
I know that at least some of us will be at the CASQA Riverside meeting. Was wondering if there might be interest in gathering as a group of regulatory types for a drink, or a meal, while we're together at the meeting? Options might include dinner tonite, lunch tomorrow, or something on Tuesday. It could be good to get together to compare notes and issues, and discuss emerging opportunities to help us and our permittees make continued progress. What say you? Also pls feel free to share w folks I missed
Thanks
