Subject: Registration open for the 2019 National Monitoring Conference

California Water Quality Monitoring Council

Registration for the 11th National Monitoring Conference is Now Open

March 25 – 29, 2019

Sheraton Denver Downtown Hotel
Denver, Colorado

Visit the NALMS Website for Details on Registration, Hotel, Sponsorship, and Exhibition.

The National Water Quality Monitoring Council is pleased to announce that registration is NOW OPEN for the 11th National Monitoring Conference. Registration and hotel information is available here.

Register before February 15 to receive a discount on your registration!

The conference will be **March 25–29, 2019 at the Sheraton Denver Downtown Hotel, in Denver, Colorado.** All water stakeholders—including federal, state, tribal and local water professionals, nonprofits, academia, and volunteer citizen scientists—are welcome at this important national forum.

Oral, poster, and extended sessions will cover the following conference themes:

- Water Quality Prediction: State of the Art and Future Directions
- Emerging Risks in Water Quality
- Monitoring Water Across a Changing Hydrologic Cycle
- Tools to Mine, Share, and Visualize Water Quality Data
- Innovative Designs and Technology for Water Quality Monitoring and Assessment
- Holistic Water Quality Monitoring: Exploring Chemical, Physical and Biological Integrity
- Effective Monitoring Collaborations and Partnerships
- Measuring Effectiveness of Management Actions, Improvement, and Restoration Activities
- Monitoring and Assessment to Protect Human and Ecosystem Health

Please be on the lookout for a future announcement on conference field trips and workshops. We look forward to seeing you in Denver!
