The State Water Board Launched a New Internship Program!

LOOKING FOR AN AMAZING INTERNSHIP?

GET PAID TO MAKE A DIFFERENCE!

WHO WE ARE: The State Water Board and nine Regional Water Boards are seeking undergraduate and graduate talent of all majors and backgrounds who have an interest in California's water resources. The Water Boards are responsible for monitoring water quality, ensuring safe drinking water, developing polices and permits to protect all uses of water, and providing financial assistance to protect the public and environment.

WHY JOIN US: Be part of a dynamic team dedicated to protect California's water resources for generations to come. This is a unique educational opportunity working alongside some of the top experts in their fields. Our work is diverse and crucial, and you will be mentored along the way.
