Subject: LPRSA CSTAG and CAG - Overview of items to be reviewed internally

There are a number of documents that will be circulating over the next couple of days that Diane and I will be asking you all to review. I've asked CDM and HDR to revisit a number of items on our main CSTAG submission which is the 11 principles memo. That is making for a shorter internal review time, so I wanted to provide you all a heads up on schedule:

Thursday, 2/8 CAG Presentation: Final draft slides to be sent to CAG by COB on Monday, 2/5

1. CSM powerpoint presentation – Will be sent around today for review
2. Interim Remedy Overview powerpoint presentation – Will be sent around today for review

Note: We are meeting 12:30 to 2:30 on Monday, 2/5 to go over CAG prep. Please let me know if you need the invite. Michael- Would you prefer Ed and/or James to be present in person on 2/5?

CSTAG Memoranda: due to CSTAG on Wednesday, 2/14

1. 11 Principles Memo – This will circulate for internal review by Tuesday, 2/6. I will be asking for review and comments back by Friday, 2/9.
2. Overview Memo – This will circulate for internal review by Monday, 2/5.

Note: I am going to get a CSTAG prep invite on our calendars.

As a reminder, stakeholders who wish to attend the 3/1 CSTAG Stakeholder portion of the meeting are to provide me confirmation by this Friday, 2/2. So far CPG has been the only one to confirm. I will send out reminders this afternoon. Any written material the stakeholders would like CSTAG to review is due to me 2/9. CAG has requested an extension until 2/22. I will provide whatever stakeholder material we have as part of the 2/14 submission.

Thanks in advance,
Jen
