Sorry about that Sarah. I didn't get the original either, (I have to get myself on that list) and I just wanted to get it to Karl asap since it was so late, but point noted.

Thanks again.

As I mentioned, this is just a heads up toe Diane and Jen to keep me in the loop on CSTAG submissions and other developments. Frances is out until next week, and we are getting a lot of interest in the CSTAG meeting, so it will just be easier that way.

Subject: CAG Comments to CSTAG

Hello CAG Members,

Please see attached the written comments of the CAG to the EPA CSTAG on March 1. The written comments are due today, if you have any additional issues you would like the CAG to raise as part of the oral presentation, please forward them to me.

If you want to attend or listen to the CSTAG meeting, and you have not already talked to me, please note that space is limited and you need to be signed up. Please let me know ASAP and I will see if there is still room.

thanks
Doug
