1/3/13 Conf. Call — CASTNET
monitor in FH

Melissa

1987 — CASnet est.
whether ozone mon. should be part 58 compliant
mon. in rural areas — not of interest — low population

Tom, Doug, Chris Dobbs

— current — spending federal $ on ozone mon. that's not being use for compliance purposes

Bob Nichols
Lee

— started upgrading + QA to be part 58 compliant

— one yr ago all sites were upgrade
— started being an issue for KDHE

Jt
Lachala
Gina

— designed to look at deposition
— main interest
— Konya also interested in + approach about 10 yrs ago

— put it out to Stakeholders, but didn't contact States — Reached out to NACA

— Tom issue w/ fact — not informed when site put in
— used data occaseonally

- not notified when changed
- influenced by April fire impacts
  - did OAQPS know?
- issues with location
& " " how it became a compliance monitor.

OAQPS - several conf call & Nat'l presentations
KDHE wants some ownership of monitor location & data

originally - purpose was deposition in rural areas

when shifted to compliance for ozone - KDHE - issues!

Ft who owns data? - technically EPA owns data -
interested in working w/KDHE

Nat. Park service - Ft FAQ
flagging data

- TG - in the middle of a research area

bad location < that does Research on burning.

— what about determining that it didn't meet the Siting Criteria for the month of April?
— data not used for attainment purposes

— TG consistantly exceed in May, June — residual from burns

D — Exclude from compliance/reg during Research/burn season.
— Classify as a Special purpose mon. for special studies (SPM's)

— appl to OAQPS & propose changes to Mtg. Network

— Kouna flag data — notification from KSU

1 pgr — What's possible/not

Reschedule call w/OAQPS

TG — 2011 1st yr issue — need to go back — look at previous yrs? — didn't public notice, but already have technical info.
— may be submit a supplemental request w/o alot of work

(AMAC?)

Doug – contacted CAMD. w/ contrator to do data flagged –

CAMD ⇒ depend on States to ID EE + WKW/ contractor to flag in AQS.
