Diane, we should be able to get you an updated presentation by 1:00 today. There may some placeholders and/or questions in the presentation for you and Jen to consider.

We are postponing the internal meeting today until we have a better presentation to share, so Jen and I are free for the rest of today. When do you think we can have the revised presentation? We should set up a follow up call right after to go through them together.

Thanks
Diane

Below is the link for the Draft CSTAG presentation. I've removed extra slides and have not yet received Kern's. I'll bring the backup slides and Kern's to the meeting tomorrow. Be patient it is a large file and will take a few minutes to open. It is under our members in the "unassigned" library if you want to download it without opening.

Thanks and see you tomorrow.
