Thanks, Pat. I will get this out as soon as possible. I agree that it's needed, even in the absence of a government shutdown. Please let us know when you have an idea of the time for our next discussion.

Good afternoon, Michael and Matt –

We appreciate our discussion last week regarding the draft CD. It was helpful. We hope to be back in touch soon regarding the CD, as we continue to review and discuss the draft internally. To facilitate our continuing discussions, we attach an amendment to the tolling agreement, extending the tolling period for an additional month through January 31, 2019. Please sign and return to us by email. Should you have any questions, please let us know. Thanks again.

Best,
Pat

Pat,
In preparation for our discussion tomorrow afternoon, please find attached clean and blackline versions of the CD comparing against the version you shared in October. We look forward to reviewing these revisions with you.
