Hi David,

I apologize for the delay, but I have been working outside the office for a few days. I did receive your latest email, and planned to sign and return the Tolling Agreement Extension on Monday. In addition, I would like to follow up on our last discussion and have a short call on your proposed outline for the meeting.

Please let me know if there are a few good times for a short call next week.

Michael

Michael,

Attached please find a proposed amendment to the tolling agreement in the Global - South Portland matter. The amendment extends the tolling period by three months, from March 31 to June 30, 2017. The extension will allow time for the parties to continue their settlement discussions, including our meeting scheduled for March 30 and any follow-up, without the need to file a protective complaint.

The proposed amendment is identical to the last one signed by both parties, except for the dates and, in Paragraph 1, the addition of ", as amended," and "further."

If the amendment is acceptable to your client, please have it executed by an authorized representative, email us a copy, and send the original to me at one of the addresses below.

Thanks.
David
