SUMMARY OF COMMUNICATION

Talked to Mr. Ward Beck, V.P. - Manufacturing, Perfection Manufacturing Co., St. Louis. Wanted to know reason for 2/23/81 letter from LOJ concerning his facility's failure to submit Part B application. Said that man who handled this left and he doesn't know anything about it. Facility was bought by Allegheny Ludlum in December 1980. Have spray booth that generates paint sludge. Has approx. 30 drums of paint sludges on-site. Will check with Allegheny Ludlum to see what they should do.

3/4 - Talked to Steve Weiner of Perfection Mfg. Asked for extension to ~~co~~ reply to 2/23/81 letter. Said that Co. had recently changed hands and would take awhile to find out what is going on at facility. Told him he could have until 3/3/81.
