Hey David—I was just made aware that Adam may have a family emergency and isn't sure that he can commit anymore. In the case that he cannot attend, Gary Moore will be attending. Not sure how you wanted to convey that to Christian or let me know if you'd like me to give him a call.

Thanks David. And I will not be attending with Adam but will support him with any follow ups from the Congresswoman or her staff.

The main purpose of the Town Hall is for the Community to provide an update on what's has happened in the last 30 days since the incident? What are the next steps? The community will also have an opportunity to ask questions. The first 45 minutes will be to provide updates (about 7 to 8 minutes each agency), the rest will be for Q&A.
