Mimi:

I think it looks good. The one thing I saw in Section 2 was there is a note to yourself (I think) to add something else.

Bill

Subject: Communications plan for oil spill meeting

Here â€˜tis.

Please let me know if there are corrections needed. Iâ€™d like to get the final version ready to email late this evening or early in the morning. Weâ€™ll make hard copies tomorrow as well.

Just to confirm: once weâ€™ve got this ready to go, I (or Bill or Marc or Greg?) will email to all the moderators?

Thanks!
Mimi
