Also, thanks for getting in touch with Robert Dickey. He is an acceptable addition. Would you please ask him to send a current bio? Thanks.

Also, I am growing increasingly concerned about a few of our committee members who are not as active as we'd like them to be. I may need to ask you to make some additional contacts to help us "pick up the slack." Would you be OK with that?

Thanks,

Marc

Marc:

I just received word that Robert Dickey is able to participate in the seafood safety/human health issues Panel in April. His e-mail: Robert.Dickey@fda.hhs.gov

Steve Lewis is anxious to get the names and contact information for the other members of the panel.

Do you have acceptances yet from Todd Anderson, G. Shigenaka and John Stein?

Gene
