Let's do it. I am in town on 3/12 for the EMC and may have time.

Subject: E&C Request FW: ITC fire briefing

Troy, Anne, David and Erin,

We received the below request from Jackie at Energy and Commerce. David and the Region 6 team have been extraordinarily transparent and informative to any and all interested hill staff including the committee and while this is obviously not a happy discussion, I think it makes sense for us to provide the briefing, unless you all have concerns, specifically about pulling the appropriate people away from response.

If we agree to providing the briefing, David, I think you and/ or Erin would be the appropriate people, but I'll defer to you, and this would either need to be by phone or obviously require some travel for you. (Recess is April 12-27).

So my questions for you all are, A) are we comfortable providing this, B) if so, are we prepared to do so this quickly, and C) could you provide it over the phone and if not, what are your travel plans looking like for April 12-27?

Thanks all,

Christian Rodrick

Can we arrange a briefing during the recess for bipartisan staff of Committee members on the ITC fire?
