Bruce,

I hope you understand...I am out the door today and won't be able to make further edits. I just don't have the time. However, I think your points are all good and hope that you or Bill could take 15-30 minutes to finish off the document. In any case, when you submit it to John Toll, please credit all three of us as authors. Thanks!!

Marc,

Excellent first cut - my thoughts to use or disregard.
