done. I cc'd you. They're probably a little harried at the SETAC office. I let them know of this last week, but we'll work to fix it.

I will make sure the change is made. Don't fret if it takes a day or two to show up on the meeting website.

Thanks all

Scott,

Glad to be in your session next month. Should be fun. I saw the schedule. Would you have an objection to me switching with Damian Shea. I have a conflict Wednesday AM.

Regards,

Paul
