Let's go with next Friday. Early afternoon would be best. How is 1:30 PM for you on Oct 14?

Marc,

I agree we need to get together. I am in meetings W, Th, and F of this week. I am pretty

tied up today and tomorrow (trying to do 5 days of work in two days). I am available next Monday, Thursday and Friday.

Hi Bill,

Gene and I talked just after you and he spoke this morning. He is an early bird for a Californian. I just wanted to reach out and begin coordinating our brief (10 min) presentations on the GOMFTM. After Gene, Bob, and Paul send out their email to the full panel, you and I should carve out some time to talk about how we want to most effectively summarize the meeting.

I've got time this week. How would Wed at 9 AM EST work for you?

Thanks,

Marc
