Subject: Proposed Terms of Agreement in Principle

Good morning, Dawn:

Please see the attached Proposed Terms of Agreement in Principle document that captures the terms discussed during our last meeting. After you've had a chance to review the materials, we would like to set up a meeting to discuss next steps. Please let either Amos or myself know your availability for end of this month. If think you'll need more time for your review, please indicate how long you'll need and we can schedule accordingly.

Thank you for your continued cooperation,
