Jim:
In coordination with Craig Bryant of the Bureau of Compliance Monitoring (BCM), Charlie Clark (Administrator-Registration Section) advised me to inform Dow AgroSciences LLC of the Department's acceptance of the revised/proposed Curfew Cylinder Label as referenced in your April 21, 2011 email below.
After any applicable notifications/processing, please provide us with a final printed copy for our records.
Of course, please contact me if you require further clarification.
Regards,
Wayne

Dear FDACS Team,

Many thanks for your time this morning to review the Curfew Cylinder Label. Cindy made the revisions we discussed and attached 2 files (below) for your review. The first is the version showing the changes, the second one is a clean copy version.

We look forward to your review and approval for moving forward with the changes.

Best Regards,

Jim
