Hi Nina,

I'm sorry, I don't think I can call internationally through our conference line. Perhaps you could call the conference line from your mobile? Personal Privacy / Ex. 6

I think everyone else should be able to answer our questions. I apologize for the time; I didn't know you were planning on trying to call in, although I don't think we could have done much better for you anyway. Thanks.

HI Jill,

These are very late hours for me (I am in Germany at the moment). Could you also set up Skype so I could call in from my home (instead of staying in the office so late).

Thank you so much,

Nina

I've attached Cheryl Brown's memo with her examination of the 2011 and 2013 pteropod datasets for your review. This will be our major point of discussion, to ensure that we are interpreting the data properly. Thanks so much and look forward to talking to everyone on Monday.
