Subject:	2008 Cummins Vehicle Emission Control Label for Dodge Ram
Date:	03/23/2007 08:28 PM
Attachments:	2008 EPA Vehicle Emission Control Label.pdf

Linc / Steve / Emily,

We are in process of working with DaimlerChrysler in preparing for MY2008 chassis-certification of the diesel Dodge Ram. Part of that process is verification of the vehicle engine label. I've attached the proposed 2008 label and would like to confirm your approval. Please let me know.

Many Thanks,

-Rich
