Thanks Andy. Will anyone else from EPA be participating? On my end it will be me and my colleague Aaron Mapes.

Andrew: Can we set up a time to discuss the above-referenced site? I continue to represent Springfield Township concerning this matter, we have an upcoming meeting and they have asked me for an update from EPA concerning any cost recovery or remedial updates. I am now working essentially across the street from you and would be happy to stop by at a convenient time for you or feel free to call. Thanks. –Mike
