Attachments: Air Toxics SIT Exec Board Briefing 3-14-18 final draft.pptx

Here is the whole presentation with Phill's changes added to those two slides. I guess slide 12 is OK as is? Let me know if you need me to do anything else. Thanks.

I like the slides. There are two slides that need minor tweaks. I have made the changes in the attached slides.

Thank you.

Importance: High

Hi Phill,

Sara has us pretty close to the final version of our presentation for the Executive Board meeting this Wednesday. You had some good comments you were going to provide concerning the "future directions" of the initiative, which we wanted to include in Slide 12. I promised Dan Palmer we'd have our final presentation to him by noon today, so please let us know your edits, and we'll incorporate them.

Thanks!

Here is the updated draft with the changes we discussed this afternoon, plus I added the EPA background and slide numbers. We will be adding the changes from AED once received. Please let me know if you have questions or comments. Thanks for a productive meeting today.

Adding the draft presentation for review.

Let me know if this time works to discuss the presentation for the Executive Board Briefing on March 14th. I will attach the draft presentation to this meeting notice as soon as it is available. Thanks.
