Dear Mr. Cline:

On February 7, 2006, a representative of the U.S. Environmental Protection Agency (EPA) inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA). A copy of the inspection report is enclosed for your information.

EPA is presently reviewing the findings of the report to determine your facility's compliance with the applicable statutes, permits, or regulations. You will be contacted upon completion of that review. Please note that EPA reserves its enforcement authorities, including assessment of penalties, for violations that occur at any time.

If there are any questions regarding this report or actions that you may want to take, please contact me at 913-551-7154 or kuehl.kori@epa.gov.

Sincerely,

Kori Kuehl
