Terri,

We just got this updated version of the MM2A guidance and wanted to make sure that OCE was OK with the changes that Patrick suggested. Let me know if you have any concerns. Thanks.

Sara and Rob,

Patrick had some suggested edits on this memo. Because it was a joint memo that had already been approved by Bill, Patrick sent his comments to OAR and OGC. Please take a look at these changes and let me know if you are comfortable with them or if you have any further changes. Bill is okay with this new version.

Thanks,
