Laurianne and Jerry,

I have attached the consent decree with Cyprus Mines Corporation for the Gilt Edge site. As we discussed, the covenant given to Cyprus extends to entities other than the Settling Defendants; it also applies to "Settling Defendants' Related Parties," which includes successors and assigns, as well as a number of entities related to or affiliated with Cyprus. We anticipate similar language at Gilt Edge, and would like to be consistent at Nelson Tunnel. The definitions of "Settling Defendants" and "Settling Defendants' Related Parties" appear on pages 4 and 5. The Covenant is on page 10.

I have also attached a general location map for the "Creede Millsite," and a couple of other figures that should give you a good understanding of its location and extent. CDPHE's No Action Determination is attached as well.

Thanks,
Joe Middleton
