I believe Tala since Jeff and Mark are scheduled to be out. Derrick have you been able to add Tala to the invite?

Derrick identified the issues that ACC wants to discuss tomorrow as follows: PFAS generally, as well as what we're seeing at the state level in terms of response to EPA's implementation of TSCA. It will be pretty high-level. Thanks Derrick.

Alex, let us know if you need anything otherwise we will figure that no materials are needed. Thanks.
