Attachments: OGC Edits to Idaho TSD 3.27.19 CLEAN.docx; COMPARE OGC 3.27 edits to Anna W 3.25 version.docx

Hi David,

Attached is a clean version for Matt, and a compare version between our edits and Anna's 3.25 version. Note that document could use a further careful proofread, but wanted to get this around now so people can see the edits and react. Let us know if you need anything else.

Very best,

Yes, please clean up the draft. Let's send Matt a clean, and Anna a clean and a redline compared to the draft we received from OW. I'm fine with this going to OST and R10.

Thanks David! This looks good. Would you like us to clean this up (i.e., accept changes and remove the comment bubbles) before it goes to Matt and Anna? And to OST and the Region?

I will take a look now; thanks so much for the very quick review of my suggested edits!

On timing, I will try to speak with Anna today regarding whether timing is flexible.

Hi David,

Attached are our combined edits/comments, shown in yellow highlight. Per Steve's earlier email, are you okay with this going to OST and Region 10 for their review to check for accuracy and help fill in some of the cites/additional rationale

Ex. 5 Attorney Client (AC)

Steve's note: I recognize the timing anna would like to keep to and so your desire to get this asap to her and Matt. I do think it is important to give the staff and management in OST and the region a chance to review these given the importance of this letter. Ex. 5 Attorney Client (AC)

Please find my comments and edits tracked on top of your tracked changes in the attached version. Let me know if we need to discuss any of my edits. Once we've resolved any outstanding issues, I'd like to get this to Matt and Anna concurrently tomorrow as soon as it's ready for their review.

Hi David,

Attached for your review are OGC/ORC's edits to the latest version of the Idaho TSD. Ex. 5 Attorney Client (AC) Ex. 5 Attorney Client (AC) Note that we added our revisions to the most recent version which Anna sent her staff earlier today, so there are other edits/comments in the document from Anna that OST are working on.

After you've reviewed, please let us know if you are comfortable with this version going to Chris Hladick and Deborah Nagle, and we'll let Region 10 and OST know. They are anxious to get this version because their understanding is that Anna still wants this signed on Thursday.

Many thanks!
