Subject: University Park, IL Public Meeting

Good afternoon Carlos,

Thank you for inviting U.S. EPA to attend the public meeting session scheduled for tomorrow morning, 6/22. Please know that the following U.S. EPA Region 5 staff will be in attendance.

- Miguel Del Toral, Water Division
- Anne Rowan, Office of Public Affairs
- Alexander Girard, Intergovernmental Affairs

Lastly, I am sure that the Mayor's consideration to invite the Illinois' U.S. Senate offices would be welcomed by the respective offices. Given that the public meeting is not an EPA hosted event, the extension of an invitation would be well received by the Congressional offices from the University Park Mayor's office directly. As a courtesy, you may wish to contact the following staff in the offices.

- Gina Mazzuca - Gina_Mazzuca@durbin.senate.gov
- David Applegate - David_Applegate@duckworth.senate.gov

Thanks,
Alexander

Alexander Girard
