Hi Matt-

I'm recently back from time off and am just getting to this. We will review your letter and get back to you, as well as on your FOIA Request.

Thanks.

John

Subject: USG Red Wing, MN SO2 Matter

John:

As a courtesy, I am forwarding to you a pdf copy of the letter and report that I had delivered to your office last week.

Also, I am emailing you to follow up on our pending FOIA requests (EPA-R5-2016-002835 and EPA-R5-2016-006203) that have a due date of this Friday. Can you please tell me if the EPA will be ready to produce documents or if EPA will be seeking a further extension, so that we may plan accordingly?

Thank you.

Regards,

Matthew E. Cohn
