Subject: USG Red Wing, MN
Location: Indiana Room - 12th floor, EPA Region 5

Start: 1/11/2018 7:00:00 PM
End: 1/11/2018 9:00:00 PM
Show Time As: Tentative

Matt,

I reserved the Indiana room on the 12th floor from 1pm to 3pm on January 11th. You could either come up directly or I could meet you in the lobby downstairs – just let me know what you prefer.

Daniel Schaufelberger, Brian Dickens, Randall Robinson (from the Air Division) and Louise Gross (from ORC) will attend this meeting.

Did you want to add anything to the proposed agenda I sent you?

Best,

Sarah J. Stillman

Sarah:

It looks like January 11th is the preferred day. Will you send me details when you have them – room number and time? We are not yet sure if the out of town folks (Jeff Bennett from Barr and Mike Hill from the plant) will be present or participate by phone, but Greg Kinser and I, who are in Chicago, will come to the Region 5 office. Thanks.

Good morning Matt,

I checked with our enforcement team and could not find a date that would work for everybody. I am proposing to have this meeting in early afternoon on either Wednesday January 10th or Thursday January 11th.

Please let me know if either of these dates would work for you all.

Best,

Good morning Matt,

I hope you had a nice thanksgiving.

I am coordinating with my team – hopefully we can find a date that works for all of us.

I will let you know ASAP.

Sincerely,

Sarah:

I have been working on coordinating schedules. How are the following dates: the morning of December 8th (ending before 11:00), or any time on December 19th? If either of these work, can you pick one, and if not, I can work on other dates. December 4th-8th and December 19th-22nd seem to work best for our group. Those attending would be the following:

Greg Kinser, USG Environmental Director
Mike Hill, USG Red Wing Plant Manager
Jeff Bennett, Barr Engineering, Air Consultant
Matt Cohn, Greensfelder, Outside Counsel

Also, we are not sure yet if the non-Chicago folks will be able to come in, and so we may need to have the option of participation by phone - to be determined.

I look forward to hearing from you.

Subject: USG Red Wing, MN - Draft Agenda

Good morning Matt,

Per our previous conversations, and after talking with Daniel and our management, I am proposing this draft Agenda for the upcoming meeting between EPA and USG regarding the Red Wing, MN facility.

1. USG's current plans for SO2 modeling
2. Production outlook and possible upcoming significant changes to the Red Wing facility
3. Ambient air monitoring

This is a draft Agenda - we are happy to include any additional topics you would like to discuss.

Please let me know UGS's availability for a meeting during the weeks of Nov. 6th & Nov. 13th and the month of December.

Thank you.

Sincerely,
