Instructions:
Photo logs are created on the first tab. Video logs are created on the second tab. You can add to existing tables by clicking the button again to select more photos or videos.

Important Tip:
* After transferring your photos and videos from your camera, do not edit or change the file names. Otherwise, this will change the date, time, and GPS coordinates of your files too.

This version of the "Photo or Video Generator.xlsm" was created and last modifed by Vicky Mei on 11-03-2017.
