Barry, Thanks for calling right back. I had just seen the .pdf, but prefer a Word version to comment in electronically. I look forward to getting that via email and the hard copies of the ARR and Quickscore as well.

Sincerely,

Sabrina,

The final production of the paper ARR is not going to be completed until tomorrow, so I have attached an electronic copy for you to look at in the interim. This does not have appendices or figures, but those will be included in the paper copy.

I am still working on adding the reg 34 lines to the charts and pulling them into powerpoint slides. I will get those to you as soon as I complete them.

I am going to be traveling/ out of town tomorrow and Friday, but you can reach me on my cell phone if you

need anything. 720-810-0785.
