See Nancy's comments. She's particularly interested in seeing if we could have some estimated dates/timelines added to the document.

Do we need to find time with Nancy to discuss? If so, we would need to find time today as Ex. 6 Personal Privacy (PP)

Thanks for this! I read it then dropped the ball, but I've told Charlie we need a bit more time so I think we are ok.
It's a nice write up. I'm wondering if we can provide a bit more specifics regarding timelines.
See my questions in the attached. Let me know if its easier to chat about it.

Nancy asked for OPP to provide our input to the OCSPP-IO for review by 10am on 9/4 (so I think we are getting in just under the wire!). Our feedback to OSTP is due tomorrow.

Mike and Bob,
It looks like there are 2 questions in here. Do you think you could have a draft response to the IO for review by 10am on the 4th?

Thanks,
Nancy
