Dear Mr. Foster:

RE: Brammer Manufacturing Company
Davenport, Iowa
EPA RCRA ID No. IAD005264940

Letter of Warning & Request for Information

In December 1999, this office mailed to you the 1999 Hazardous Waste Report (commonly called the Biennial Report) to be completed for hazardous waste activities at your facility for calendar year 1999. All hazardous waste treatment, storage, and disposal facilities and large quantity generators of hazardous waste must complete a biennial report in accordance with Title 40 of the Code of Federal Regulations (CFR) §262.41. The biennial report was due on March 1, 2000. To date, we have not received the report for your facility. If your facility did not treat, store or dispose of hazardous waste on-site, or if you were not a large quantity generator of hazardous waste in 1999, you must return the post card that is included in the back cover of the Report instruction booklet previously mailed to you.

Within fifteen (15) days of your receipt of this letter, you are required to submit the completed 1999 Hazardous Waste Report to the address listed below. In accordance with 40 CFR §2.203(b), a facility may assert a claim of confidentiality covering all or part of its Hazardous Waste Report. All claims of confidentiality will require substantiation. You bear the burden of substantiating your confidentiality claim pursuant to 40 CFR §2.208(e).

Failure to submit the 1999 Hazardous Waste Report could subject your facility to an enforcement action which may include substantial penalties. The penalties sought in such an enforcement action can be up to $27,500 per violation per day of non-compliance. Your completed 1999 Hazardous Waste Report must be submitted fifteen (15) days to:

All information you submit in a notification can be released to the public, according to the Freedom of Information Act, unless it is determined to be confidential by U.S. EPA pursuant to 40 CFR Part 2. Since notification information is very general, the U.S. EPA believes it is unlikely that any information in your notification could qualify to be protected from release. However, you may make a claim of confidentiality by printing the word "CONFIDENTIAL" on both sides of the Notification Form and on any attachments or submittals including this information report. EPA will take action on the confidentiality claims in accordance with 40 CFR Part 2.
