Tom,

Our Government Information Specialist informed me that this request must be submitted through FOIAonline. Here is the link for making the request: https://foiaonline.regulations.gov/foia/action/public/request/publicPreCreate. I have the documents ready for disclosure through this online portal.

Many thanks,
Margo

Hi Margo,

I am writing to request copies of the following documents, which we discussed on a July 12, 2017 teleconference:

- Full copies of three recent FOIA requests submitted to the USEPA regarding radioactive slag/radioactive waste issues in the Niagara Falls, NY area, including a request submitted on 6/23/2017 by Ms. Vanessa Kemp of Bryan Cave LLP.
- Full copies of (i) USEPA's recent 104e request to the Holy Trinity Cemetery/Catholic Diocese of Buffalo regarding the radioactive slag/radioactive waste and/or related matters associated with the Holy Trinity Cemetery in Lewiston, NY and (ii) any responses submitted by the Holy Trinity Cemetery/Catholic Diocese of Buffalo.

Please let me know if you have any questions about these requests.

Thanks again for your cooperation and assistance.

Tom
