Actually, Bill was wanting us to get together with him for a briefing next week. Not a meeting with LDEQ at this time.

Silvia, Isaac,

FYI – while I am thinking about it …

Bill Honker visited with LDEQ this week and there was some discussion about LOOP.

It is my understanding that it was agreed that EPA & LDEQ will be getting together (soon… in a call, I think) to discuss the current status.

Let's touch base tomorrow or next week,

Thanks

K
