Scott,

Claudia is out today. Taking a look at the calendar, we have an item on the calendar that afternoon, but we may be able to skip it. I'll check with Claudia on Tuesday.

The calendar is open the morning of the 25th. Anytime between 9:00 – 12:30 appears to be good.

On the 26th, there are a few items scattered through-out the day, but looks like 10:00-11:00 is open along with after 3:00p.

Claudia,

Is 2:00 PM on the 25th still available for the meeting? Ms. Gardner-LeBlanc from LOOP indicated they are available either the 25th or 26th in the afternoon at any time.

I will set up a call in conference line for EPA, DEQ and LOOP to all participate in the meeting.

Thanks.

Scott
