Hi Mark and Andy,

Thank you both for getting back to me. You are welcome to join for just one of the days or as many of the four days as you would like. Mark, were you interested in going out for several of the days? Andy, would you like to go with us on both the 17th and the 18th or just one of those days? If you're not sure yet, you can let me know as the dates get a little closer.

Thank you both very much,
Hillary

Subject: Cape Fear Sampling Campaign

Hi Mark and Andy,

I hope you are both doing well. As I have told you both individually, I am planning to go out sampling along the Cape Fear River from May 16th-May 19th. It looked like both of you had pretty good availability that week based on the Doodle Poll. Are you both still interested in going out with us one of the days? Also, are

you still able to bring a boat out one of the days, Mark? I look forward to seeing what we find, and am very appreciative of all the help I receive from you both.

Thank you!

Hillary
