Apologies Tracy! I should have ccd you on this one; totally my fault ☹! Thanks for asking. Note: some of these attachments are familiar but here are all documents provided to David. I also have this printed out for our meeting if helpful ☺

Thanks!

Cheers,
Charissa

FYI – In case David or other managers are interested in the views of other resource agencies, here are the FEIS comment letters from USFWS and IDFG.

Hi Hanh,

Attached are the final documents for David's review and for the meeting tomorrow to discuss the US 95 Thorncreek to Moscow PN. I wasn't sure if you would like to forward this to David or if you would like me to send them along? Whatever you most prefer sounds great!

Thanks!

Cheers,
Charissa
