Good afternoon Twyla,
We don't have another location to meet, so your location on the LSU campus would be best. Also, US Coast Guard has expressed that they may also like to attend.

I will try and find out who from US Coast Guard will attend.

Subject: EPA Request-EFH consultation

Stacey,

Your email made its way to my inbox concerning the LOOP facility. I have availability both Monday and Wednesday afternoon next week. Would either of these work for you?

Thanks,

Twyla
