From: Dwyer, Stacey
Location: Stacey's office
Importance: Normal
Subject: EPA INTERNAL ONLY Discussion on LOOP (Call in 1-866-299-3188. Access Code 214-665-6729#)
Start Date/Time: Fri 11/17/2017 3:00:00 PM
End Date/Time: Fri 11/17/2017 4:00:00 PM

The purpose of this call/meeting is to discuss the documents that were submitted by LOOP on Friday and Monday, November 3 and November 6. Please be prepared to summarize what we received.

Secondly, I want to discuss primarily the Benthos Monitoring that LOOP has conducted in the past. These should have been part of the documents that we received.

This instructions above are for Taimur and Silvia. I have explained to Taimur more information, which he will explain to all.

Thanks,

Stacey
